(iv) Examination - Complaints and Appeals Process

Examination Scores

Candidate wishing to appeal an assessment result must do so within 14 days of receiving the disputed assessment decision and are advised to keep copies of all documents relating to the appeal.

Stage 1 – Informal

The appeal should be made, in the first instance, to the assessor who made the original assessment decision. At this stage, a verbal appeal is acceptable, although

Sport Starts Here.

the candidate is recommended to put the appeal in writing using the Candidate Appeals Form provided. The assessor should explain his/her rationale for the decision that is being disputed. The assessor is required to record an overview of the appeal and the outcome of the discussion and forward this to the Education Manager to retain.

Stage 2

If a Candidate remains dissatisfied with the assessment decision and wish to challenge the outcome of Stage 1, then they are required to appeal/complain in writing to Gymnastics Ireland through the Gymnastics Ireland Complaints & Disciplinary Rules and Procedures.

Full details of this procedure are outlined on

<http://www.gymnasticsireland.com/structure-policy/complaints-and-discipline>

Candidates are required to provide as much information as possible regarding the disputed assessment decision.

In the unlikely event that candidates exhaust this procedure and remain dissatisfied with the decision made by Gymnastics Ireland, they may take their complaint to Just Sport Ireland (JSI). JSI facilitates the resolution of sports-related disputes through arbitration or mediation in an efficient, cost-effective and fair manner.

(V) Malpractice Statement

Gymnastics Ireland is committed to pursuing the highest standards of honesty/integrity and the elimination of malpractice in the management of our organisation, and aims to promote accountability and a climate of openness, to encourage the disclosure of allegations of malpractice.

Candidates or any individual must report allegations to Gymnastics Ireland Education Manager.

Instances of malpractice that may be committed by personnel or candidates include:

- committing plagiarism by copying and passing off the whole or part(s) of another person's work, with or without the originator's permission and without appropriately acknowledging the source
- failing to comply with the assessor's or Gymnastics Ireland instructions
- misusing assessment material
- impersonating other candidates by pretending to be someone else, in order to produce the work for another, or arranging for another to take one's place in an assessment
- fabricating and/or altering results and/or evidence, documents and/or certificates

- using unauthorised material in relation to the requirements of supervised assessment
- behaving in such a way as to undermine the integrity of the assessment.

Personnel and/or candidates who commit malpractice and who fail to comply with the guidance on regulations for assessment will lead Gymnastics Ireland to withhold the candidates' results. Withholding information or failing to report promptly any suspected cases of malpractice or non-compliance by any individual may result in the imposition of sanctions/penalties by Gymnastics Ireland through the Complaints & Discipline Rule and Procedures.

(VI) Foreign Coaches

Gymnastics Ireland gets requests on a regular basis to validate and recognise awards gained from overseas authorities. We operate a system of conversion and mapping of overseas awards to our current coaching system. In order to do this, whoever is seeking to employ an overseas coach, must carry out the normal safe recruitment procedures similar to any individual who wishes to undertake work with our young members. Such individuals should submit the following:

- Gymnastics Ireland Garda Vetting/AccessNI Vetting disclosure letter/certificate
- 2 separate letters of support, indicating suitability to work with children Copies of certificates and awards (translated into English by an official translator where necessary)
- Curriculum Vitae, showing all relevant coaching experience
- List of skills coached as part of their coach qualification
- A signed code of conduct

The overseas coach also needs to be advised that before being awarded a qualification from us, they need to take out Gymnastics Ireland membership and attend an Irish Sports Council or SportNI Child Protection Awareness/Safeguarding Workshop within 3 months of our award being accredited. All relevant paperwork needs to be sent to garrett@gymnasticsireland.com

(VIII) Coaching Qualification Criteria and Competition Entry

Gymnastic activities involve an inherent risk and in the desire to protect the candidates and ensure their safety and well-being, Gymnastics Ireland requires the following criteria to be implemented:

- Coaches with any qualifications below a GymSTART Level 2 or discipline specific Level 2 qualification must work under the direct supervision of a Level 2 or above Coach and cannot operate unsupervised.
- Coaches should only work in the discipline specific areas in which they are qualified and only to the level to which they are qualified.
- It is a Gymnastics Ireland requirement that the coach designing and directing specific coaching programme holds a minimum of a Level 2 qualification in the specific disciplines being offered.
- For coaching at higher levels of performance, the coach must hold a level of qualification appropriate to the level of performance to be undertaken in that particular discipline of the sport.
- Gymnastics Ireland will endeavour to ensure that coaches are safe to undertake the coaching of candidates within their knowledge and competency according to current best practice.
- In a competition or other Gymnastics Ireland event, the coach must possess a current qualification according to the following criteria:

GymSTART Modules:

A coach with a specific GymSTART Module certification listed below can only enter the competition floor for that specific discipline and must be under the strict supervision of a GymSTART Level 2 coach OR a discipline specific Level 2 coach or above:

****Coaches and gymnasts must be competent at the level of competition they have entered.***

Acrobatics Module 2 Certification: Competition - Prep A + B

Rhythmic Module 1 Certification: Competition - Novice 1 + 2

Floor & Vault Module 2 Certification: Competition - Level 1 + 2

GymSTART Level 1 & 2 Qualifications:

A coach with a GymSTART Level 1 & 2 qualification can enter the competition floor for any of three disciplines listed below. Level 1 coaches must be under the strict supervision of a GymSTART Level 2 Coach OR a discipline specific Level 2 Coach or above:

***Coaches and gymnasts must be competent at the level of competition they have entered.**

Acrobatics: Competition - Prep A + B

Rhythmic: Competition - Novice 1 + 2

Floor & Vault: Competition - Level 1 + 2

Note: Coaches must have a minimum Level 2 discipline specific award for Trampolining to attend any level of trampoline competition.

Discipline Specific Level 1 Qualifications:

Note: Coaches must have a minimum Level 2 discipline specific award for Trampolining to attend any level of trampoline competition

Note: From September 2014/ 15, Level 3 Coaching Qualification is required for FIG National Championships in all disciplines

When submitting entries for a Gymnastics Ireland event clubs must ensure that the coaches attending to the candidates are qualified to the level of the candidates' performance. The practice of supervising candidates working above the level of the coach's qualification cannot be condoned.

Coaches have a duty of care towards their performers and have responsibility to ensure that they are both qualified and competent to teach at the appropriate level, as well as ensuring that the candidate is adequately prepared, physically and psychologically, for performing their routines in a competition situation.

For team events a second nominated coach (Level 1 or above) may be accredited to be present in the competition arena to assist with the pastoral care of the gymnasts, moving equipment (springboards, mats etc), adjusting apparatus and holding up gymnast numbers. The second coach may not coach the gymnasts unless they fulfil the requirement of holding a recognised qualification suitable to the level of moves being performed.

If it is found that a club is in breach of these policies Gymnastics Ireland reserves the right to reject an entry on the grounds of gymnast safety or, if discovered post performance, to disqualify the competitor and remove their score from the official results.
